your questions answered...

Do I need to book?

Yes definitely, particularly for late nights and weekends we advise booking two to three weeks in advance.

When should I arrive?

Approximately 5 minutes before your treatment will allow you some time to unwind. If it is your first visit with us your consultation forms will take about 10 minutes to complete.

What happens if I am late?

Arriving late will mean that your appointment time will be limited. Your treatment will still end on time so that our next client is not delayed.

What if I need to rearrange my appointment?

Please give us 24 hours notice so we can accommodate your request. Cancellations made after this will incur a charge. Credit card details will be required for bookings of more than one hour.

Is my gift voucher valid at any of your salons?

Gift vouchers are valid at all of our salons. From time to time we will have specific salon promotions but this will be clearly stated on your voucher.

Do you have a loyalty programme?

Yes we do. Speak to your therapist for full details about our loyalty and referral programme.

What about payment?

We accept all major credit cards, eftpos and cash. Unfortunately we no longer accept cheques.
